

How To Create A Powerful Business Case

A One Day
Training Course

Discover the Key Elements of a High Quality Business Case

This course covers the following topics :-

The "What, Why, and When" of creating a documented Business Case

Mini and Full Versions of a Business Case

A Six Step process for you to follow

Business Case formats

Financial analysis of your business case

A useful spreadsheet to use

"What If" scenario analysis

This course is designed for people who own the task of creating a business case in their organisation.

Participants should come to the course with examples of projects in mind. We will develop these examples during the training session.

Comprehensive course manuals are provided.
