Business Case Creation

A One Day Training Course

This course covers the following topics :

- The “What, Why, and When” of creating a documented Business Case
- Mini and Full Versions of a Business Case
- A Six Step process for you to follow
- Business Case formats
- Financial analysis of your business case
- A useful spreadsheet to use
- “What If” scenario analysis

This course is designed for people who own the task of creating a business case in their organisation.

Participants should come to the course with examples of projects in mind. We will develop these examples during the training session.

Comprehensive course manuals are provided.

For more information please contact us.

Discover the Key Elements of a High Quality Business Case

“This course gave me a practical process to follow, rather than having to rack my brains every time I need a business case.”

Practical, Relevant, Interactive Training
