Leading Change

A Two Day Development Session

Bringing about significant change in an organisation can be fraught with difficulty. However by adopting the right approaches we can maximise our chances of success.

This course explores the dynamics of change and leads us to discover the key considerations in making change happen.

We will cover :

- How we think about change
- Resistance to change
- Hearts and minds
- Building a model for successful change
- Creating urgency
- The compelling vision
- Gaining buy-in
- Reducing and overcoming the barriers

The course is based on :

- Group and individual exercises
- Thought provoking discussions
- Some fun stuff!

Comprehensive course manuals are provided.
For more information please contact us.

Change Is The Only Constant!

- Building momentum
- Changing the culture

“Hugely interesting course that deals with the human and psychological aspects of change, and how to overcome some of the barriers”
