Measures In Your Business

A 1-Day or 2-Day Module

This training is all about Business Metrics. It is targeted at Middle Managers and Team Leaders who are trying to establish the right measures and the best ways to display and utilise measures within their department.

We cover :

- Why measure ?
- Designing good measures
- The two key dimensions of measurement
- Alignment of measures
- Leading and lagging measures
- Great ways to establish and manage your metrics
- Various charting and display techniques
- From metric to action
- Measurement systems

This is an interactive session with lots of hands on exercises.

Comprehensive course manuals are provided. For more information please contact us.

Decisive Management through Incisive Measures !

“This training has taken my use of measures to a new and much improved level.
